

JESUS TALKS ABOUT THE BEST FOOD

(Near the Sea of Galilee) — A great crowd came to hear Jesus teach on a hillside. When suppertime came Jesus fed them with a miracle meal, starting with only five loaves of bread and two fish. There was enough food for everybody to have enough!

The next day, after Jesus and the disciples went back to the other side of the lake, the big crowd began to look for them. They sailed across the lake in their boats and found Jesus and his friends near Jesus' home at Capernaum.

When Jesus saw the crowds, he knew they wanted him to teach them again. Soon they were talking about the big meal he had fed them. Jesus said, "The best food is not bread and fish that you can put into your stomach. The best food is God's Word that can grow in your heart."

John 6:24-35
